[redacted] 10 September 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 10 September 1965

25X1 [redacted] of OCI briefed on Chinese Communist military capabilities in the India-Pakistan area.

25X1 DDI reported results of inquiry indicating that [redacted] knows no more about [redacted] than we do. 25X1

DDI noted completion of the latest bi-weekly memo compiling and assessing various Communist statements about Vietnam.

DDI referred to dissemination of a recent ORR report on the increasing amount of precision machine tools being imported from the West by the ChiComs.

DDI cited various graphics in the latest monthly report on Vietnam. He said he is writing to Ambassador Unger suggesting that some of our Vietnam reporting be combined. At present, Dailies, Weeklies, and Monthlies are being issued.

R. Jack Smith displayed pictures and other information concerning the SA-3 in the light of indications that the SA-3 may have been emplaced in NVN. (See Action 1)

25X1 Kent noted that the editorial board of the Studies in Intelligence will get together in [redacted] this weekend.

DDS reported that a survey will be made of current and future space requirements within the Agency. This will lead to eventual recommendations for DCI's consideration.

deSilva noted that Henry Kissinger will be here Monday. The DCI agreed to meet with Kissinger then. (See Action 4)

The IG reported that a survey of the WE Division will begin next week. Upon completion, all CIA Stations and Bases will have been inspected in the past three years except for those in [redacted] 25X1

ACTIONS

1. DCI directed preparation of a memo on the operational characteristics of the SA-3. He wants to see the memo and wants dissemination in such a way as to assure that military planners have the information available to them. (DDI, in consultation with DDS&T as appropriate -- 15 September)

2. DCI asked for preparation of a special memo on the situation and in the light of certain differences of view within the 303 Committee. The memo is to be prepared over the weekend by the Agency and is to be submitted for interAgency concurrences, possibly for eventual issuance as a SNIE. (DDI, in consultation with DDP -- 13 September)

25X1

3. The DCI's meeting with Goldberg has been postponed to 10:00 a.m. on 18 September. DDI is to give Goldberg a briefing on the world situation. DDP is to brief on the Clandestine Services. (DDI and DDP)

4. Henry Kissinger and George Lodge are to be invited to attend forthcoming meetings between Agency officials and [] and company to ensure that they are kept abreast of Southeast Asian development planning. DDI is to continue to press to set a date for the next meeting. (DDI -- 16 September)

25X1

5. Following deSilva's meeting with the [] team members tomorrow, consideration is to be given to seeking outside professional help from industry to further the [] program. DCI is to be advised as to which industries we may wish to approach. (DDP - 11 September)

25X1

25X1

[]

25X1

7. DCI directed that the DDP's analysis of the recent Karnow press article about CIA operations in Southeast Asia be shown to Darden and Michaels on the Hill. (OGC -- in the course of the day.)

8. Noting Presidential instructions to Heads of Agencies that either they or their deputies must be in Washington at all times, the DCI has directed that this same instruction will hold true for Deputy Directors and Heads of Independent Offices within the Agency.
